- NNOUNCEMENT!

The new goods purchased by S. Spitz, the jeweler, while east, are now being placed for public inspection. They consist of a fine line of decorated china and glassware. New ideas in silver novelties, abony and leather goods and fancy clocks. These goods in connection with the usual large line of diamonds watches and jewelry always found in his cases will give the Santa Fe public an opportunity for selection seldom found outside of the large cities.

JO CALIENTE

(HOT SPRINGS.)

THESE Celebrated Hot Springs are located in the midst of the Ancient Cliff Dwellers, twenty-five miles west of Taos, and fifty miles north of Santa Fe, and about twelve miles from Barranca Station on the Denver & Rio Grande Raliway, from which point a daily line of stages run to the Springs. The temperature of these waters is from 90° to 122°. The gases are carbonic, Altitude 5,000 feet. Climate very dry and delightful the year round. There is now a commodious hotel for the convenience of luvalids and tourists. These waters contain 1836,24 grains of alkaline saits to the gallon; being the richest alkaline Hot Springs in the world. The efficacy of these waters has been thoroughly tested by the miraculous cures attested to in the following diseases:—Paralysis, Rheumatism, Neuralgia. Consumption, Malaria, Bright's Disease of the Ridneys, Syphilitic and Mercurial Affections. Scrofula, Catarrh, La Grippe, all Female Complaints, etc., etc. Board, Lodging and Bathing, \$2.50 per day. Reduced rates given by the month. This resort is attractive at all seasons and is open all winter. Passengers for 0)o Caliente can leave Santa Fe at 10.98 a. m. and reach Ojo Caliente at 5 p. m. the same day. Fare for the round trip from Santa Fe to Ojo Caliente, \$7. HYDROGRAPHIC MATRIMONY.

The Nicaraguan Canal is Evidently a Sure Go, and the Two Oceans Will Be United.

Washington, Nov. 5.-The Nicaraguan canal commission appointed by the president under act of congress directing a complete inquiry into this project with particular reference to practicability and cost, has about completed its report which will be handed Secretary Hay in about a month. But he conclusion reached will not be announced until the report is completed. The commission will report the project of joining the Atlantic and Pacific ceans by the Nicaraguan route as enirely feasible and practical, presenting no engineering problems which cannot, be met, and the cost can be presented with a fair degree of mathematical exactness. The report will give the cost in figures, but the amount is not yet known even to the commissioners, as it will depend upon careful computations now being made. Admiral Walker stated before a congressional committee that the cost will be within \$125,000,000.

GONE TO MEET M'GINTY.

After All Hobson's Hard Work, the Maria Teresa Has Gone to the Bottom of the Sea.

New York, Nov. 5 .- A special from Charleston, S. C., to the Journal says The former Spanish cruiser, Maria Teresa, has gone to the bottom of the sea. Dr. Leboy, the quarantine officer at this ACTED CONTRARY TO ORDERS port, has just sent word that the crew of the Teresa arrived at his station with the news of the sinking. Full particulars were not yet obtained, although Three Cars of Coal Allowed to Run Into the wreck has already been officially reported.

Couldn't Weather a Gale,

The tug Merrit put into Charleston this morning and reported the loss of the cruiser Maria Teresa off San Salvador. were killed and three fatally injured to-day in the collier of the Lebigh Coal. The cruiser left Calmanera, Cuba, October 30, in tow for New York. She had passed Cape Maysi and had started dent was due to the corelessness of En-northeast around the Bahamas, when a gineer David Price, who, contrary to furious storm, warning of which had positive orders, caused three cars to already been sent out, overtook her. run into the top shaft. These loaded The strain opened reats in her hull cars weighing 11 tons, fell down the which had been patched to enable her to make the journey and she began to fill rapidly. The Merrit took off Cap-tain Harris and crew, and the ship soon went down. No lives were lost so far as

> Parts of the hull thought to be safe weakened, the rivets broke and water made rapidly in the hold. The boilers was owner by the Barbour estate. It began to give way and finally the water extinguished the fires in the engine oom. Then the pumps would not work. The whole vessel showed signs of col lapse and the men stood stripped awaiting orders to quit the ship.

The Vulcan was towing the Teresa while the Merritt rescued 114 of the crew, made up of volunteers from the Cincinnati, Newark and Vulcan, The ropes were then cut and she rapidly Pfieffer.

This Does Settle It.

Washington, Nov. 5.-It is the general impression about the State, War and Navy building that the loss of the Marie Teresa will prevent any further attempt to bring any other of Cerevra's ressels to this country.

Heavy Death Rate.

Malaga, Spain, Nov. 5.—The Spanish transport steamer Gran Antilla from Havana with repatriated Spanish troops, building. arrived here today and reports 100 deaths among the soldiers during the voyage.

NO MANANA HERE.

British Admiral Resorts to Allopathic Treatment in Bringing the Turks to Time, and Succeeds Muy Pronto.

Candia, Crete, Nov. 5 .- Rear Admiral Henry Noel, the British commander in these waters, today ordered the Turkish troops, whose debarkation was de layed by an order from Constantinople to embark on a British transport. The soldiers proceeded to obey, but the Turkish officer in command stopped the embarkation, whereupon the British admiral caused the barracks to be sur rounded and declared the Tarks prison. ers. He also threatened to use force and compel them to embark. The Turkish commanding officer then allowed the embarkation to proceed.

Fell From His Engine.

Alliance, O., Nov. 5.-Fireman Joseph Desmond, of a Pittsburg, Fort Wayna & Chicago locomotive, drawing the fast passenger train, last night, near Columbiana, O., discovered that Engineer W. H. Sourbeck was not at his post nor on any sort or carelessness in the management of the hospitals. The chief trouble was the fly nuisance which was avoided as much as possible by the mosskull fractured and it is thought that he had climbed out upon the running board and losing his balance, fell to the

AN UNHOLY ALLIANCE.

Germany Will Uphold Mussleman Rule in Asia, and Receive in Return Commercial and Other Privileges.

Berlin, Nov. 5.-The Frankfurt Zeitung says that the Emperor William's visit to Turkey has led to an agreement by which Germany undertakes to support the integrity of the Sultan's Asiatic possessions, in return for which Germany will receive commercial and industrial privileges.

Good Financial Management. Omaha, Nebr., Nov. 5 .- The trans

A NOTED REGIMENT.

Ohio's "New York Seventh" Returns from the War and Is Given a Reception at the White House. Washington, Nov. 5 .- The 4th Ohio

infantry, which passed through the city today en route from Puerto Rico to Columbus, O., was paid the unusual compliment of a reception at the White

The 4th Ohio volunteers was the 14th regiment in the Ohio militia and it has been a noted command ever since the Hamilton county riots when the court house at Cincinnati was destroyed with its priceless records, by a mob bent on executing certain murderers in the county jail. Colonel Coit was then in command of the regiment, as he has been ever since, and it was by masterful management of his troops and his readiness to size up situations and take advantage of them that further destruction of public property was stopped after the arrival of the 14th regiment in the city. Colonel Coit has since distinguished himself on several trying occasions by his military tact and ability to handle troops quickly and with effect, and the conduct of his command in Puerto Rico has been exceptionally commendable. The regiment made quite a display at the world's fair in Chicago colonel Coit's voice in giving a com

mand can be heard for half a mile.

THEATRE COLLAPSED

Roof of New Wonderland Theatre in Detroit Goes Down Because of Insufficient Support.

The Building is Evidently a Total Wreck-Bodies Are Being Removed from the Ruins Amid Much Excitement.

Detroit, Mich., Nov. 5.-The roof of he Wonderland theater collapsed tolay, carrying down the iron galleries and a great mass of scaffolding and debris. Twenty-five men were working under the collapsed parts of the structure, and scarcely any seem to have escaped injury. The bodies of six dead men have already been recovered. Several others were fatally injured. The side wall is bulging threatening-

y, and the front, although still upright, is considered dangerous. The theater was to have been occupied by J. H. Moore's Wonderland. The building is on Monroe avenue opposite the Detroit opera house. There is much ex-Itement over the disaster. Later-Ambulance surgeons say 15

are certainly dead. The following are seriously injured: B. S. Hiepkowski, John Wilson, William Grossley, Joseph Polk, W.H. Streater, John Joseph Pieter, Charles Cross, Joseph McBride, John Chesnowski, F. Schrieber, P.

The following are thus far reported dead or missing: C. Cross, O. Nullen, L. Schmidt, August Perrin, Oscar Robinson, J. A. Wilson, Louis Schnidt, Jacob Konkil, Paul Skrzekowsky, Edward Fisher, Oscar Robins.

The cause of the accident was removal of the temporary wooden braces which supported the roof. The instant the last one was taken down the whole the last one was taken down the whole goof caved in with a crash, carrying down everything in the interior of the
